HANGING ON

To a livelihood by the proverbial "slender thread" is the fate of the man who fails to advertise his business. Pretty soon he will lose his grip altogether.

Your smallest wants are your business, and unless you desire to merely hang on for a while, then drop off and disappear from the surface of success entirely, you should ADVERTISE them.

In seeking a medium you will pick the newspaper that has the largest circulation and prints ALL the Wants of the People. Therefore, you will naturally use The Republic.

Everybody else does, and everybody understands also that

REPUBLIC WANT ADS BRING RESULTS.

There's nothing that an ad won't do In filling all your wants for you.

Any druggist will telephone your ad to The Republic.
